AORecon educational activities

**Faculty selection criteria**

**Prerequisites**
In order to become an AORecon faculty, you need to fulfill the following criteria:

- Must be a practicing orthopedic surgeon with at least 3 years of independent experience
- Must spend at least:
  - 50% of his/her practice on arthroplasty or
  - 50% of his/her practice on joint preservation or
  - 50% of his/her practice on surgical sports medicine
- Must have teaching or presentation experience
- For specific topics in an approved event agenda, world-renown experts without a medical degree can be invited

**Selection criteria**
International faculty members are nominated by the AORecon Education Committee. Regional and national faculty members may be recommended by the local chairpersons, but need to be confirmed by the Education group.

AORecon Faculty will be selected based on the following criteria:

- Academic credibility (50% weight)
- Presentation and moderation skills (30% weight)
- Teaching ability (20% weight)
